From my hole in the wall...
By Chucky Church Mouse

These past two weeks I have seen lots of activity around the church. I think that some work is going on out at Lake Buckets (next to the Office Building)... Before you know it my favorite lake for swimming will be a playground for human-type kids... Barbara and Charlie Barker are heading up the effort. I have seen Doke Williams, Sherl Halliburton, Chris Lamb, Lanny Lindsey and Jerry Jordan. I am sure that there are others...if you will let me know I will put their names in, too. The problem has been that all of that big equipment is very scary to someone my size so I skidaddle off when I hear it coming.

Russell Garner has been around fixing lights, and stuff like that...I appreciate the light when my family and I go to ice skate at Lake Buckets! Thanks, Russell.

I suppose that some of you ladies were a little inconvenienced last Sunday when you found that the ladies' restroom in the hall was out of order...It's all one man's fault...yep, Bob Quisenberry has been at it again. He has been remodeling...fixing it so that everything looks really nice. So thanks for being understanding and finding another restroom...and thanks, Bob, for all the hard work you have done and continue to do around the church.

If you see anything happen around the church that I should know about...or if you see a correction that I need to make, put a note on Bettie's desk...and I will find it...I come in when she is not here...she gets a little squeamish around mice!

I'll see you next week...stay warm...Hey! Bring someone with you.

Thought for the Day

Do What you can, being what you are.
Shine like a glow worm if you can't be a star.
Work like a pulley if you can't be a crane.
Be a wheel greaser if your can't drive the train! (Unknown)

And there are varieties of working, but it is the same God who inspires them all in every one! 1 Corinthians 12:6
