Upcoming

Summer Mission Trip

The trip will be July 18-23 and will consist of work on storm damage from Hurricane Ike. The Bolivar Peninsula was greatly devastated along the Texas Gulf Coast, and some 80% are still without homes. Therefore, this year we will work with “Nehemiah's Vision” Disaster Relief Ministry in or near Port Bolivar, Texas (north of Galveston and east of Texas City).

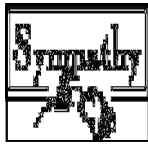

We will not give the Lord an offering that did not or does not cost us something. The fee will be determined by how many go, but for example if 20-49 people go, the fee is expected to be \$89.00 per person. The fee includes insurance, housing, coordination and other related expenses.

More information will be forthcoming as it is received. This is Kingdom Work and I believe God would want His people . . . His church . . . to help.

If you have any questions, please contact Ken Snowden or Matt Brown.

The flowers today are given in honor and celebration of James and Jean Worrell's anniversary from Nikita, Zach, and Isaiah.

May God console you at this time and bless you from above and may you find new strength and hope in His unfailing love . . .to Doug and Linda Burton in the recent loss of Linda's grandmother, Doris Plisek. Also, to the Wincie Cockroft Family in the recent death of Wincie.

Bluebonnet Festival is Fast Approaching April 9-11 ~ Bottled Water Needed

Once again we will be giving away water at the Bluebonnet Festival. Please help with this ministry and bring your donations or cash donations to the church office.

Sign-up sheets for volunteers to help distribute water will be in the Church foyer today after morning Worship. Please sign up!

Can You Help?
Together we can make a difference!

From my hole in the wall...

By Chucky Church Mouse

You learn to have an interesting perspective on things when you sit in a balcony that no one knows is there...above the choir loft...oops! Did I just give away where I sit on Sunday? Well it is better...at least from your perspective... than sitting on the top of the seat beside you. I have the privilege of sitting in a special place where I can watch everyone and still worship without being afraid that I will be pierced by someone's stiletto!

A while ago, I was in the church building before everyone else...the smell of skunk was very strong...my old friend Pepe LePew had paid us a visit. As I sat in my place through Sunday School and then worship, I began to notice that as people became acclimated to the smell, they mentioned it less and less. It was only the people that were entering the building for the first time that would say, "what is that smell?"

I heard recently that activists that are concerned about global climate change have discovered that people tend to acclimate themselves to these changes. After a while people just don't notice the changes any more. I also heard that over the ages, people just adapt to whatever the weather does...even when the animals cannot...I must admit I like the warm better than the cold... Brrrrr!...Where was I?...Oh yes...

I got to thinking about it. Have you noticed that the more you are around sin and the "ways of the world", the more they become "normal" to you? Bro. Doug is away in revival this week. I thought about stowing away in his car, but I decided to stay here and keep an eye on you human-types. However, I did start to think about what revival means. I am praying that God will make my little mouse heart sensitive to things that don't please Him, so that I can keep those things from becoming normal to me. Do you need revival? I think that the same prayer would be a great place for you to start, too.

...I'm glad you are here today. Come back tonight and hear about what is going on with North American Missions. Hey, keep up the good work...keep a smile on your face, and do something good for somebody this week!
