From my hole in the wall...

By Chucky Church
Mouse

God is so good...He's so good to me. This past week I happened to be walking around the church school...you didn't know we had one? Well there is a reason for that...We have about 50 little mice, all from my family, in the school. If I ever let out the location, the pest control truck would arrive and my family would be toast...Oh my heart is racing...I shouldn't have mentioned the Pest control...Uh OK where was I...Oh yes...I was scampering by the school where my little relatives were learning about what it means to be a church mouse. I heard the song, "God Is So Good" coming through loud and clear. There was the squeak of little untrained mouselings, but the sound was beautiful to my little...OK...so they are kinda big... ears.

I started to think about how good God is. The rain came and made all the green stuff pop out for the first time in a long time...Thank you, Lord! The sound of little voices who are the apple (or the cheese, if you are a mouse) of their Daddy's eye...Thank you, Lord! For this beautiful church that is dry...for the most part...when the rain comes...Thank you, Lord! For mice...and yes, human-types...who love Jesus, and they show that love by the way they treat others...Thank you, Lord! I am so glad that I am able to call this church...even though I can't reveal exactly where...my home, and that you are my friends. You see what I mean? God really is so good. Going through a rough time? Take a pencil and start jotting down what you could consider a blessing. You may just be surprised what God has done!...Say, that would make a great song!

Christian Life University begins tonight at 6:00. There is a place for everyone. I hope you can make it...I'll be watching from...well, let's just say I will be around!

I love this church! Hey! Do something good for someone this week!
