Mouse

Wow! You human types at FBC are really stupend-mouse and even fab-u-mouse! Exciting days are ahead of us! We are beginning to see more and more new growth! Can you tell I am excited!?!

Grandma Mouse used to tell me that "when a church is really growing and going, you'd better look out," because Satan will try everything he can to sabotage the Lord's work." One of the easiest ways that I have seen him cause disruption is through the fellowship of God's people (yes, it even happens to us Churchmice.) I am very thankful that God has blessed us with a "sweet fellowship," but we must be on our guard and do our parts to keep that fellowship "sweet" as we press forward toward the exciting days that are ahead. Following are some ways we can hang on to the fellowship that we share and avoid the traps...ooo, I don't like that word "traps"...that can cause us to lose it.

**Avoid complaining and criticizing others.** Many times when others are doing their best to serve the Lord, we tend to say things like, "I would never...", "they had better not...", "Can you believe that he...", "I'm not going to...", "If I were doing that, I would..." These are sure ways to squelch the working of the Holy Spirit and the unity of the church as a whole. Here's an idea: when you are tempted to complain, find something to do for the Lord and for others...then that ol' complaining spirit will just melt away... kinda like cheese on nachos!

**Pray for a forgiving attitude.** Someone will say or do something that hurts you at one time or another. Remember, you are just human (or for my mice friends, you are Churchmice). A critical, bitter spirit can destroy a fellowship quicker than you can say "chunky".

(You know...mice have no rights in a human world, so Bettie has edited me...I will have to finish this next week.) Hey do something good for someone this week! ...
